## What is the August Primary Election about?

The Primary Election decides which candidates will represent each political party in the November General Election. In September, watch for an updated edition of this *Voter Guide* for the General Election.

## Is the 2014 *Voter Guide* Democrat or Republican?

Neither. It is factual, impartial, and nonpartisan. Every candidate in the covered races was treated equally and had the same opportunity to respond to the questions.

## Who paid for the 2014 *Voter Guide*?

Concerned Arizonans dedicated to responsible citizenship have donated to make this publication available. No candidate or political party paid for any part of this guide.

## Are you endorsing specific candidates?

No. This guide is a nonpartisan educational resource provided as a public service. No candidates are endorsed.

## Why do some candidates not respond?

We don't know. All candidates were provided the same opportunity to respond to the survey questions. For candidates who declined to respond, we've provided the candidate's contact information made available by the Arizona Secretary of State. We've also provided limited biographical information on these candidates at [azvoterguide.com](http://azvoterguide.com). For select races at [azvoterguide.com](http://azvoterguide.com), you can view answers based on public statements and other credible sources for candidates who declined to respond to the survey.

## Support the 2014 *Voter Guide*

This guide would not be possible without the generous support of individuals around our state.
